

A Bibliography of the Publications of Albert E. Radford

Compiled by William R. Burk, Rhonda Teague Rogers, and Betsy Appleton
University of North Carolina at Chapel Hill

1948

The Vascular Flora of the Olivine Deposits of North Carolina and Georgia. Ph.D. Thesis, Department of Botany, University of North Carolina, Chapel Hill. iii, 133 pp. + plates I-VIII. Abstract, University of North Carolina Record 464: 25-26. 1949.

The vascular flora of the olivine deposits of North Carolina and Georgia. Journal of the Elisha Mitchell Scientific Society 64: 45-106 + plate 8.

1950

Additions to the flora of North Carolina. Rhodora 52: [23]-27.

Notes on *Isoetes* in North Carolina. Journal of the Elisha Mitchell Scientific Society 66: 84-86.

Botany 41 Laboratory Directions. [The Author, Chapel Hill, N.C.]. 69 pp.

1951

Distribution of some rarely collected vascular aquatic plants in North Carolina. Castanea 16: 85-91.

1952

Range extensions in the flora of North Carolina. Journal of the Elisha Mitchell Scientific Society 68: 105-108.

1954

Laboratory Directions for Botany 41. University Book Exchange, Chapel Hill, N.C. 1 volume.

Range extensions in the flora of North Carolina--II. Journal of the Elisha Mitchell Scientific Society 70: 101-104.

1958

(With H. E. Ahles and C. R. Bell). Species new to the flora of North or South Carolina. *Rhodora* 60: [10]-32.

1959

A relict plant community in South Carolina. *Journal of the Elisha Mitchell Scientific Society* 75: 33-34.

(With H. E. Ahles). Species new to the flora of South Carolina. *Journal of the Elisha Mitchell Scientific Society* 75: 35-43.

(With H. E. Ahles). Species new to the flora of North Carolina. *Journal of the Elisha Mitchell Scientific Society* 75: 140-147.

Species of *Carex* new to the flora of North or South Carolina. *Journal of the Elisha Mitchell Scientific Society* 75: 139.

1959. [Abstract]. Progress report on the Flora of the Carolinas, January 1, 1956 - December 31, 1958. *ASB Bulletin* 6: 31.

1961

(With C. R. Bell). *Laboratory Directions and Exercises for General Botany*. Drawings by Peggy-Ann Kessler. Ann Arbor, Michigan: Edwards Brothers. [77] pp. (in various paginations).

1962

[Abstract]. Vascular flora of the Carolinas. *ASB Bulletin* 9: 40.

[Abstract]. (With Victor A. Greulach, and William J. Koch). Research activities in the Department of Botany. *Journal of the Elish Mitchell Scientific Society* 78: 108.

1963

1963. [Abstract]. A graduate program in plant taxonomy. *ASB Bulletin* 10: 36.

1964

[Abstract]. Distribution patterns in the vascular flora of the Carolinas. *American Journal of Botany* 51: 686.

(With H E. Ahles and C. R. Bell). Guide to the Vascular Flora of the Carolinas, with Distribution in the Southeastern States. The Book Exchange, University of North Carolina, Chapel Hill. 383 pp.

1965

(With H E. Ahles and C. R. Bell). Atlas of the Vascular Flora of the Carolinas. North Carolina Agricultural Experiment Station Technical Bulletin 165. Published by the North Carolina Agricultural Experiment Station, Raleigh. 208 pp.

1967

(With C. R. Bell, J. W. Hardin, and R. L. Wilbur). Contributors' Guide for the "Vascular Flora of the Southeastern United States." [The Authors, Chapel Hill, N.C.]. 20 pp. + 1 p. inserted between pages 12 and 13.

1968

(With H. E. Ahles and C. R. Bell). Manual of the Vascular Flora of the Carolinas. University of North Carolina Press, Chapel Hill. lxi, 1183 pp. [This book had fourteen subsequent printings: 1971, 1973, 1974, 1976, 1978, 1980, 1981, 1983, 1987, 1991, totaling nearly 50,000 copies.]

1970

Vascular Plant Systematics Laboratory and Field Guide with Lecture Supplements. The Book Exchange, [University of North Carolina], Chapel Hill. 95, [2], 2, [4] pp.

1971

[Abstract]. Flora--Objectives and analysis. ASB Bulletin 18: 24.

1972

(With W. C. Dickison and C.R. Bell). Vascular Plant Systematics. With contributions by Ben W. Smith [and others]. Illustrations by Marion Seiler and Laurie S. Radford. Published by the University of North Carolina Student Stores, Chapel Hill. vi, 543 pp.

1973

(With J. Edison Adams, C. Ritchie Bell, Victor A. Greulich, and Lindsay S. Olive). Memorial, Henry Roland Totten, November 6, 1892-February 9, 1974. Journal of the Elisha Mitchell Scientific Society 89: 262-263.

1974

(With W. C. Dickison, J.R. Massey, and C.R. Bell). *Vascular Plant Systematics*. With contributions by Ben W. Smith [and others]. Illustrations (except Appendix) by Marion S. Seiler. Harper & Row, Publishers, New York. 891 pp.

1975

(With D. L. Martin). *Potential Ecological Natural Landmarks, Piedmont Region, Eastern United States*. Department of Botany, University of North Carolina, Chapel Hill. 249 pp.

1976

A Question Approach to the Study of Vascular Plant Systematics. Published by University of North Carolina Student Stores, Chapel Hill. 53 pp.

Vegetation--Habitats--Floras: Natural Areas in the Southeastern United States: Field Data and Information. Published by University of North Carolina Student Stores, Chapel Hill. iii, 289 pp.

1977

[Foreword], p. xi. In Ralph M. Sargent, *Biology in the Blue Ridge: Fifty Years of the Highlands Biological Station 1927-1977*. The Highlands Biological Foundation, Highlands, NC. xi, 156 pp.

(With R. L. Kologiski and others) Vascular plants, pp. 56-142. In J.E. Cooper, S.S. Robinson, and J.B. Funderburg (editors), *Endangered and Threatened Plants and Animals of North Carolina: Proceedings of the Symposium on Endangered and Threatened Biota of North Carolina. 1. Biological Concerns*, Meredith College, Raleigh, November 7-8, 1975. North Carolina State Museum of Natural History, Raleigh. xvi, 444 pp.

A Natural Area and Diversity Classification System. A Standardized Scheme for Basic Inventory of Species, Community, and Habitat Diversity. Published by University of North Carolina Student Stores, Chapel Hill. 70 pp.

1978

Natural Heritage Classification and Information Systems. Part I. Ecological Diversity Classification and Inventory. Published by University of North Carolina Student Stores, Chapel Hill. 265 pp.

[Abstract]. Natural diversity as a systematics course. *ASB Bulletin* 25: 76.

1980

Foreword, pp. ix-x. In M. A. Godfrey, *A Sierra Club Naturalist's Guide to the Piedmont*. Sierra Club Books, San Francisco. xii, 498 pp.

[Abstract]. Basic field training for the plant systematist. *ASB Bulletin* 27: 57-58.

1981

(With D. K. S. Otte, L. J. Otte, and others). *Natural Heritage: Classification, Inventory, and Information*. University of North Carolina Press, Chapel Hill. xviii, 485 pp.

Introduction to a system for ecological diversity classification. pp. 199-205 *In* Larry E. Morse and Mary Sue Henifin, eds. *Rare Plant Conservation: Geographical Data Organization*. New York Botanical Garden, Bronx, New York. 377 pp.

1985

(with James F. Matthews). New reports of *Calamagrostis porteri* A. Gray from North Carolina. *Castanea* 50: 202.

1986

(with Gloria Caddell, James Doyle, and others). *Fundamentals of Plant Systematics*. Harper & Row, New York, NY. xiii, 498 pp.

1992

A Quality State Parks System in North Carolina. Prepared by Albert E. Radford for Friends of State Parks. Ken and Margo Perkins (editors). Friends of State Parks. iii, 27 pp. + inserts (7 pp.).

1994

Noncompliance by DEHNR/DPR with State Parks Statutes and Administrative Code in the State Parks System of North Carolina. [The Author, Chapel Hill, N.C.]. 18 pp.

1995

A series of letters for those interested in a quality State Parks System in North Carolina. Albert E. Radford, Chapel Hill, N.C. [10] pp.

Our state parks are richer but still in danger. News & Observer (Raleigh, NC) 251(67): 11A.

2002

(with Laurie S. Radford; John S. Radford, ed.). Unbroken Line; the 51st Engineer Combat Battalion from Normandy to Munich. Cross Mountain Publishing, Woodside, California. 256 pp.

Editorial Contributions

Editorial Board for the *Vascular Flora of the Southeastern United States*, The University of North Carolina Press, Chapel Hill.

Chairman, Volume 1, 1980. Asteraceae, by Arthur Cronquist, and with the tribe Vernonieae by Samuel B. Jones.

Member, Volume 3, Part 2, 1990. Leguminosae (Fabaceae), by Duane Isley.
